ORDER

By letter dated August 20, 2015, Appellants UMPC and UPMC Presbyterian Shadyside notified the Court that the time within which to file exceptions has been extended to September 18, 2015 and if no exceptions were filed, the Administrative Law Judge's ("ALJ's") Order would be final, and Appellants would withdraw their appeal.

By letter dated September 21, 2015, Appellants advised the Court that on September 18, 2015, the General Counsel of the NLRB, the SEIU, and UPMC filed exceptions to the ALJ's July 31, 2015, Supplemental Decision dismissing the single employer allegations and suggested that the case be held in abeyance pending the Board's final action on the exception.

On September 29, 2015, the Court removed the case from the calendar.

At the direction of the Court, the parties are directed to file written status reports within 10 days from the date of this order regarding the status of the proceedings before the Board.
